

Mortgages

good website to check average rates in the market.

<https://www.provident.com/TodaysRates>

(Don't submit application at provident only check rates please to get an idea)

For average rates please
above website is good indicator of average rates
yours could be higher/lower depending on FICO scores
loan to value ratio, zip code etc.

Submit application at

please submit in www.omsai.com/mortgage
