What is Virginia Medicaid?

Medicaid is the state and Federal partnership that provides medical coverage to eligible needy persons.
The purpose of Virginia Medicaid is to improve the health of people in Virginia who might otherwise go
without medical care for themselves and their children. There is no enrollment fee or premium for
Medicaid coverage if you are eligible. Low co-pays are charged for some Medicaid services.

Who is eligible for Virginia Medicaid?

To be eligible for Virginia Medicaid, you must be a resident of the state of Virginia, a U.S. national, citizen, permanent resident, or legal alien, in need of health care/insurance assistance, whose financial situation would be characterized as low income or very low income. You must also be one of the following:

- Pregnant, or
- Be responsible for a child 18 years of age or younger, or
- Blind, or
- Have a disability or a family member in your household with a disability, or
- Be 65 years of age or older.

To be eligible, you must have an annual household income (before taxes) that is below the following amounts:

2
$22,930 (before taxes)View Table

*For households with more than eight people, add $5,958 per additional person.

Virginia

Always check with the appropriate managing agency to ensure the most accurate guidelines.
